## *Volunteer - 6 Hole Plan Sheet*

- **Order of teeing off is always least experienced golfer to most experienced golfer- left to right in a straight line across fairway.**

**This year all four hit at once--from a safe distance – to save time & build confidence.**

- **Students should always put bags in a line to the right of their hitting area in their teeing off order.**
- **Student should stand at least 8 ft away from the person that is hitting.**
- **Students should come prepared with balls, tees, and a ball marker before the round.**
- **Students should have their club and ball ready for when it is their turn to hit.**
- **Students must be quiet and standing still when other golfers are putting.**
- **The 6 hole team format on Thursday's is a scramble. The best ball out of the group of students will be chosen and each student will hit from that spot. This process continues until the ball is in the hole or a max of 10 shots.**
- **It is important to remind students that they must not scuff their feet on the greens around the holes. Doing so ruins the grass on the greens and makes putts for other people more difficult.**

Junior Golf Program for Summer of 2018  
Registration Form

Name: \_\_\_\_\_

LOCAL Mailing Address: \_\_\_\_\_

\_\_\_\_\_
